Transmitted herewith is one copy of the Public Notice and Proposed Modification to the above-referenced permit.

The public has been invited to submit comments regarding this proposed modification. If sufficient public interest is indicated, a public meeting will be held.

All written comments received during the 30-day period following the date of public notice and the public meeting record, if a public meeting is held, will be considered. This proposed modification will take effect on the date indicated unless an adjudication hearing is requested by you or by an aggrieved or adversely affected party.

If you wish to challenge this proposed action, you may request an adjudication hearing within thirty (30) days of the mailing of this proposed action, as provided by Section 3745.07 Ohio Revised Code. Since all other conditions of the permit remain in effect, a hearing may not be requested on any issues other than the proposed modification. If an adjudication hearing is requested, the existing NPDES permit will remain in effect until the hearing is resolved. At an adjudication hearing, you may appear in person or be represented by an attorney, or such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing. At an adjudication hearing, you may also present evidence and examine witnesses appearing for and against you. Requests for hearing shall specify the issues of fact and law to be contested. Any such request for hearing must be sent to the Hearing Clerk, Ohio EPA, at the same address shown above.

The Director may withdraw this proposed modification at any time before it takes effect. He may also issue a revised proposed modification.

If you have any questions, please contact the Ohio EPA District Office in your area.
